How to use this book?

- Please complete 1 page of this logbook every first Monday of every month.
- Write down that meals and snack you ate or drank yesterday.
- Record everything, starting with the first food or drink in the morning until the last food or drink at night. Put each food item on a separate line. Ask your teacher if you don't know how to spell a food item.
- This is an exercise, but not a test. So, there is no right or wrong answer. So, simply write down what you actually ate.

Thank you!
